Donation, Recycling and Consignment

Finders Keepers Consignment: My favorite consignment shop(s) located in Avondale Estates, GA. They have one location for their furniture/household goods (2753 E. College Road, Decatur, GA 30030. 404-377-1944) and another location just down the

street for clothing (84 N. Avondale Road, Avondale Estates, GA 30002. 404-296-0285). Items must be in nearly-new condition for them to be accepted for consignment. Call for rules regarding accounts sign-up and drop-offs.

[Goodwill](#) Search for the location nearest to you.

[Furniture Bank of Metro Atlanta](#) Offers free pick-up in Cobb, DeKalb, most of Fulton and most of Gwinnett counties. Does not accept large appliances, office furniture, or outdoor furniture.

[Atlanta Alliance on Developmental Disabilities](#) – Will pick up clothing and household goods

[Atlanta Union Mission](#): Accepts clothing, household goods, toiletries, large and small appliances. Will pick up in many counties.

[American Kidney Fund](#) Accepts clothing and household goods. Will pick up or you can search the web site for nearby drop-boxes.

Recycling: **www.earth911.org**. Great recycling, donation & disposal site searchable by your area. They included DeKalb Farmer's Market, Whole Foods, and nearby county and city recycling programs when I searched with my Decatur ZIP code.

Junk Removal: **[Just Trash It!](#)** and **[1-800-GotJunk](#)** offer residential and commercial junk removal.

[Freecycle](#): An innovative, neighborhood-based site where you can sign up for your local Yahoo Freecycle group, list items you no longer need, decide which Freecycle member you would like to give the item to, and arrange for a time for them to pick the item up. No money can exchange hands.
